The Sitarambhai Nanji Patel Institute of Technology and Research Center, affiliated with Umrakh, has been actively running an NSS unit for the past ten years. The primary objective of this unit is to promote holistic development among students, emphasizing the importance of serving society and the nation through selfless service. In alignment with this objective, the Indian government's NSS unit organized an NIC camp in Mangalore from 12/02/2024 to 18/02/2024.

The National Integration Camp (NIC) is a seven-day camp held annually by the National Service Scheme (NSS). The camp is designed to teach cadets how to live in a community through cultural activities like quizzes, skids, and dances. The camp also aims to help bridge cultural and religious gaps between different states of India.

A total of 150 students from five states participated in the camp, including 10 students from Gujarat Technical University and two students from SNPIT&RC, namely Mr. Riken R. Prajapati and Mr. Nitesh H. Yadav. also joined the camp, focusing on training related to serving the nation and society.

The training received during the camp emphasized the principles of social and national service. This report highlights the commitment of SNPIT & RC NSS unit towards promoting the ideals of service and national integration among students.
