(A Vidyabharti Trust Institution)

BE/Chemical Engineering

Subject Name: Heat Transfer

Subject Code: 3140503

Lab Location: A-28

Sr.No.	Experiment
1	Composite wall apparatus
2	Thermal conductivity of insulating powder
3	Thermal conductivity of metal rod
4	Critical heat flux apparatus
5	Heat transfer from a pin fin apparatus
6	Heat transfer in natural convection
7	Forced convection apparatus
8	Emissivity measurement apparatus
